Report of Independent Registered Public Accounting Firm

To the Directors and Equity Owners of Catalytic Capital LLC

Opinion on the Financial Statements

We have audited the accompanying statement of financial condition of Catalytic Capital LLC (the "Company") as of December 31, 2017, and the related notes (collectively referred to as the "financial statements"). In our opinion, the financial statements present fairly, in all material respects, the financial position of Catalytic Capital LLC as of December 31, 2017, in conformity with accounting principles generally accepted in the United States.

The accompanying financial statements have been prepared assuming that the Company will continue as a going concern. As discussed in Note 6 to the financial statements, the Company has suffered recurring losses from operations and has substantial doubt about its ability to continue as a going concern. Management's plans in regard to these matters are also described in Note 6. The financial statements do not include any adjustments that might result from the outcome of this uncertainty.

Basis for Opinion

These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on the Company's financial statements based on our audit. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) ("PCAOB") and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether due to error or fraud.

Our audit included performing procedures to assess the risks of material misstatement of the financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. Our audit also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that our audit provides a reasonable basis for our opinion.

Note 2 - Summary of Significant Accounting Policies

Basis of Presentation

The accompanying financial statements are presented in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Revenue Recognition

The Company had no revenues during the year ended December 31, 2017.

Cash and Cash Equivalents

The Company considers all highly liquid debt instruments purchased with an original maturity of three months or less to be cash equivalents.

The Company's Parent files income tax returns in the U.S. in federal, state and local jurisdictions. With few exceptions, the years 2014 to 2017 remain subject to examination by taxing authorities.

CATALYTIC CAPITAL LLC
NOTES TO FINANCIAL STATEMENTS

Note 2 - Summary of Significant Accounting Policies (continued)

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Note 3 - Concentration

The Company maintains cash balances in one financial institution, which are insured by the Federal Deposit Insurance Corporation (FDIC) for up to \$250,000 per institution. From time to time, the Company's balances may exceed these limits.

Note 4 - Net Capital Requirements

The Company is subject to the SEC Uniform Net Capital Rule (Rule 15c3-1) which requires the maintenance of a minimum net capital, as defined, of the greater of \$5,000 or one-fifteenth of aggregate indebtedness, as defined. At December 31, 2017, the Company had net capital of \$8,703, which exceeded its requirement by \$3,703.

Additionally, the Company must maintain a ratio of aggregate indebtedness to net capital of 15:1 or less. At December 31, 2017, this ratio was .18 to 1.

The Company is exempt from the provisions of Rule 15c3-3 of the SEC since the Company's activities are limited to those set forth in the conditions for exemption pursuant to subsection k(2)(i) of the Rule

Note 5 - Commitment and Contingencies

Commitments

The Company had no commitments, no contingent liabilities and had not been named as a defendant in any lawsuit at December 31, 2017 or during the year then ended.

Note 6 - Ongoing Operations

For the year ended December 31, 2017, the Company did not conduct any securities business and was only able to maintain operations via addition of capital contributions made by the parent company. This inactivity has resulted in substantial operating losses which brings into question the Company's ability to continue as a going concern. The parent company is committed to infusing capital as required and to fund the company's continued operations.

CATALYTIC CAPITAL LLC
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2017

Note 7 - Guarantees

FASB ASC 460, Guarantees, requires the Company to disclose information about its obligations under certain guarantee arrangements. FASB ASC 460 defines guarantees as contracts and indemnification agreements that contingently require a guarantor to make payments to the guaranteed party based on changes in an underlying factor (such as an interest or foreign exchange rate, security or commodity price, an index or the occurrence or nonoccurrence of a specified event) related to an asset, liability or equity security of a guaranteed party. This guidance also defines guarantees as contracts that contingently require the guarantor to make payments to the guaranteed party based on another entity's failure to perform under an agreement as well as indirect guarantees of indebtedness of others.

The Company has issued no guarantees at December 31, 2017 or during the year then ended.

Note 8 - Recently Issued Accounting Pronouncements

The Financial Accounting Standards Board (the "FASB") has established the Accounting Standards Codification ("Codification" or "ASC") as the authoritative source of generally accepted accounting principles ("GAAP") recognized by the FASB. The principles embodied in the Codification are to be applied by nongovernmental entities in the preparation of financial statements in accordance with GAAP in the United States. New accounting pronouncements are incorporated into the ASC through the issuance of Accounting Standards Updates ("ASUs").

For the year ending December 31, 2017, various ASUs issued by the FASB were either newly issued or had effective implementation dates that would require their provisions to be reflected in the financial statements for the year then ended. The Company has either evaluated or is currently evaluating the implications, if any, of each of these pronouncements and the possible impact they may have on the Company's financial statements. In most cases, management has determined that the pronouncement has either limited or no application to the Company and, in all cases, implementation would not have a material impact on the financial statements taken as a whole.

Note 9 - Subsequent Events

The Company has evaluated events subsequent to the balance sheet date for items requiring recording or disclosure in the financial statements. The evaluation was performed through the date the financial statements were available to be issued. Based upon this review, the Company has determined that there were no events which took place that would have a material impact on its financial statements.
